MONSTER

"¡Mírame! ¡Mírame! ¡Mira qué grande se ha hecho el monstruo que hay en mí, Dr. Tenma...!"

"¡Auxilio! El monstruo de mi interior está a punto de reventar".

En un intento de descifrar estas enigmáticas afirmaciones escritas por Johan, Tenma visita a un antiguo compañero de universidad que ahora se ha convertido en un famoso psicólogo criminal. La intención es descubrir si Johan tiene doble personalidad.

El amigo de Tenma le tiende una trampa, en la que éste está a punto de caer, pero pronto, su amigo cambia de opinión...

VENGA,

SE PUEDE VER CÓMO LOS SENTIMIENTOS AFOLAN POR TODAS PARTES.

AL VER EN EL ESPEJO SU IMAGEN JUNTO A LA DE LA VÍCTIMA, EL ASESINO VACILÓ DURANTE UN INSTANTE

Bien. Tengo que dejarle

Gadón de va?

A la escena del crimen

Estoy seguro de que él aparecerá.

Eeh? Espero qué está diciendo!

Pero todos los periódicos le apuntan como sospechoso.

Y por eso vendrá.

Verá. El hombre que busco no tiene nada que ver con este asesinato.

Vendrá a asegurarse de si el asesino fue "Johan" o no.

AUNQUE ESE TAL JOHAN NO EXISTE EN REALIDAD, CLARO.

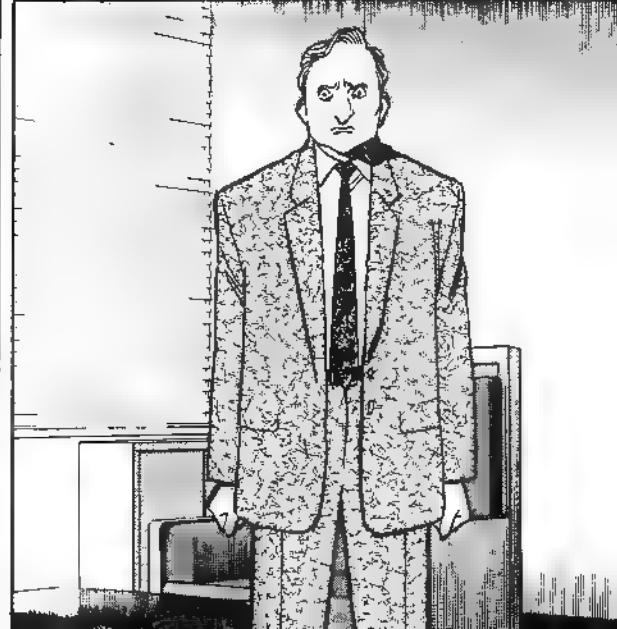

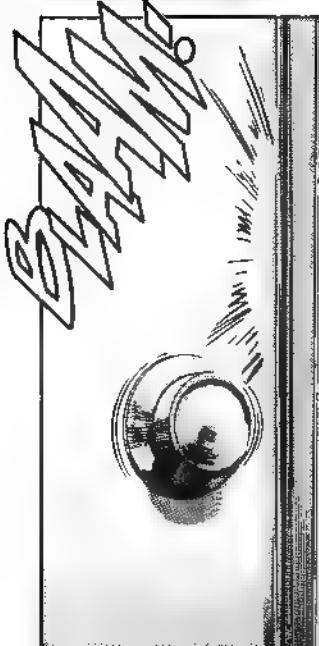

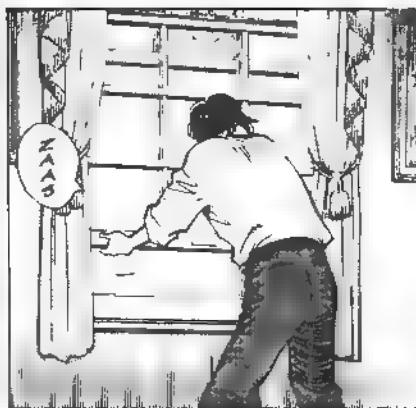

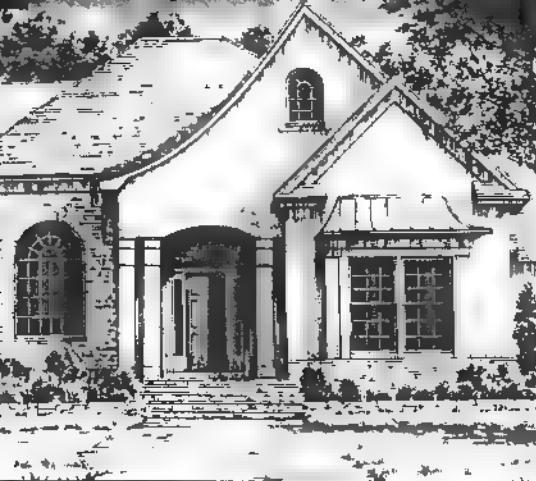

PERO CUANDO ES EL DR. TENMA SE VUELVE UN HOMBRE JUSTO QUE INTENTA REMEDIAR LAS FECHORÍAS DE SU OTRO YO

PARA EVITAR QUE LE ACUSEN.

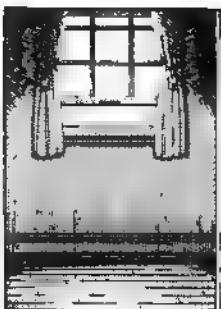

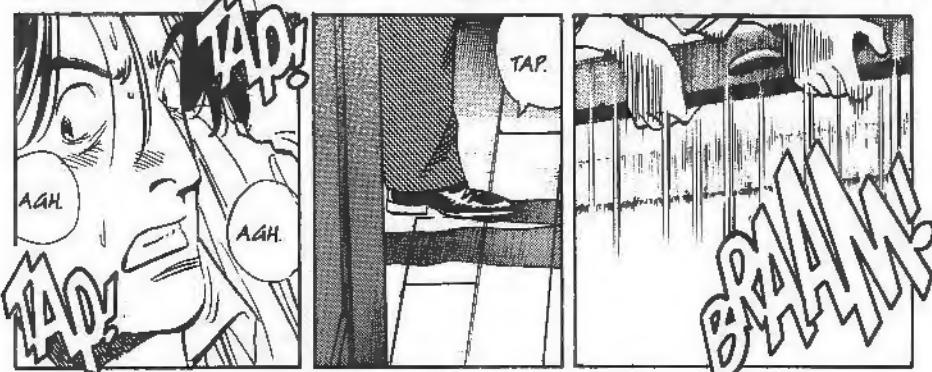

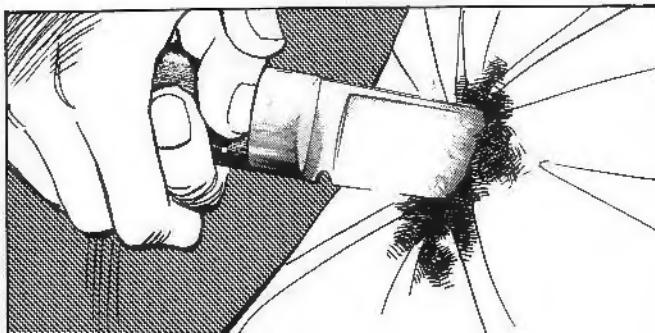

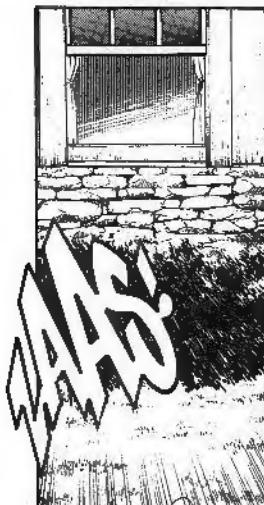

POR FIN
VOLVEMOS
A ENCON-
TRARNOS,
DR TEN-
MA.
